Hello Sponsoring Partner,

It is my pleasure to officially invite you to participate in the 2019 ADMC Meeting in San Francisco, CA on September 3rd & 4th. The Academy of Dental Management Consultants is celebrating 32 years of serving the dental community and our annual meeting is the perfect place to have your message heard in a unique setting.

Our membership of dental management consultants represents thousands of offices across the country. We come together once a year to learn, grow and advance our knowledge so that we may better serve our clients. It's a chance to reconnect and meet new professionals that share our passion for the dental community.

We look forward to having our Sponsoring Partners join us each year. Your participation and support is key to our meeting and our dedication to knowledge. The products and services you offer our mutual clients are key to their success. It is our pleasure to help you spread the word about new products and services as we visit our practices.

As a sponsoring partner in 2019 you will enjoy many opportunities:

- Introduction and recognition by our board and academy leaders
- Participation in all our social events
- Focused time with our members
- Ability to enjoy and learn with our members
