

# An OPPORTUNITY for UNPRECEDENTED ACCESS to Your TARGET Audience

POWERED BY ADMC AND SCN

The American Association of Dental Office Management (AADOM) has a powerful and unparalleled chapter system throughout the country. AADOM chapters provide outstanding education, networking and CE opportunities for dental office managers and business team members at a local level. Our goal at AADOM is to continually be a **RESOURCE** for these dynamic and dedicated chapters and their members. One of the ways we accomplish this is by providing our chapter presidents with a list of **QUALIFIED AND VETTED** speakers to speak at their meetings to provide the very best education in dental practice management topics.

These speakers are members of the AADOM Speaker/Consultant Alliance (ASCA), powered by the Academy of Dental Management Consultants (ADMC) and the Speaking Consulting Network (SCN). ASCA members will have prominent visibility to AADOM members and AADOM Chapters.

Ready to promote your speaking services to AADOM's constantly growing chapter community? **Join AADOM as an ASCA member today!**
